Gloria:

Again, In the interest of clarification, I have not been avoiding you or Gary. Much of the material that is needed to update you and Gary is on Mr. Arredondo's (TRC) laptop in New Jersey, and Mr. Arredondo has been out of the country and will not return until the 29th. (Please see email below.)

He has assured me that upon his return to NJ, he will send us whatever information that he has that will help us identify and clarify many of the outstanding issues that Gary has inquired about and that we still have at the facility. This, along with the most recent summary of work and work schedule will be sent to both you and Gary next week after we are able to compile the material from Alonzo.

Thank you again for your patience.

Regards,

Jonathan Carroll

Jonathan,
Merry Christmas and seasons greetings!

I just returned to the USA this week. I have been out of the country on vacation and have been out of reach/touch. I plan to return to work with TRC in New Jersey [on Dec. 29, 2014](#).

Regards,

Alonzo
